

Occupational Therapist

NW Tasmania 12/12/19

\$80-\$100 per hour

About Us

Healthstyles Clinic is a friendly, supportive allied health practice operating in beautiful NW Tasmania. Our practice has been operating since 2005 and we have established a reputation for professional and effective service delivery over this time.

Healthstyles Clinic is NDIS registered. Our rooms host psychologists, and behavioural specialists, qualified supervisors and practitioners holding or completing masters level qualifications.

The Position

We are seeking an experienced Occupational Therapist to work with our busy allied health team. The position would be permanent part or full time with flexible hours.

Your duties:

- Provide Occupational Therapy assessment and intervention for NDIS clients both at our clinic and in the field
- Develop positive behaviour support plans
- Conduct sensory, home modification and functional capacity assessments
- Assess to identify need for assistive technology
- Equipment prescription
- Liaise with participants, staff and other stakeholders

Requirements

- Possess a relevant tertiary qualification in Occupational Therapy
- Knowledge of equipment and assistive technologies available for clients
- Registered with the Australian Health Practitioner Regulation Agency (AHPRA)
- Experience working with disabled clients, their families and caregivers.
- Eligible for NDIS provider registration
- Knowledge of NDIS practice standards.
- Ability to work independently
- Excellent verbal and written communication skills
- Eligible for working with vulnerable people check

What we offer

- Provision of rooms, referrals and client scheduling
- Client billing and accounts
- MS Surface tablet with Office 365
- Peer supervision, training opportunities and access to clinical resources.
